Brittany and Dolores,

Do either of you have time today to craft a draft letter to the Tribes, similar to the one attached addressed to the Governors? We will need to ensure to address John's comments on the Governor's letter in the Tribal letter.

We will be sending it to the National Tribal Council and other Tribal associations as discussed during yesterday's pre-brief with John.

If you don't have time, let me know, I'll do it tonight. Just asking since you've both voiced interest in supporting efforts with the tribes.

We don't need to take this to OW today, but a hard copy to take in hand to tomorrow's briefing may be good. You can also check in with Karen Gude regarding the content and how to structure it. She is the OW tribal coordinator.

Thanks, Kathy

As discussed. See attached minor tweaks.

Let's add the header DRAFT to both. For the attachment, I edited Step 4 to read parallel to the first three, i.e., what the state needs to do. See how that reads.

Thanks!
John
